Company Summary

As a family-owned small business, OB&T Testing Solutions is a trusted partner for our clients who comply with FMCSA guidelines and are responsible for workplace safety. We help in ensuring workplace safety and integrity by performing accurate and reliable drug and alcohol screenings. With over 7 years in the trucking industry and having first hand experience with the drug and alcohol requirements, we are dedicated to delivering exceptional service, upholding ethical standards, and contributing to the well-being of our clients and community.

Core Competencies

This organization is a reliable partner for government agencies who need drug & alcohol services performed. With over 7 years of experience in the trucking industry and FMCSA guidelines, this sets them apart in the market.

- **Regulatory Compliance:** In depth knowledge and adherence to regulatory standards such as those set by the Department of Transportation (DOT), ensuring tests are conducted in compliance with legal requirements.
- **Comprehensive Testing Services:** Conduct a wide range of drug tests including urine, saliva, hair follicle and breath alcohol.
- **Certified and Trained Professionals:** Employing certified and trained technicians who have expertise in administering drug tests.
- **Fast and Accurate Results:** Commitment to delivering timely and precise test results without compromising accuracy.
- **Exceptional Customer Service:** Commitment to providing outstanding customer service and guidance on drug testing procedures.

Differentiators

- 24/7 Mobile Collection Services
- Member of 24/7 National Network of Drug Testing Companies
- Exceptional Customer Service: More than 2,000 customers
